

2021 | Year in Review

Thank you for your partnership!

Special Opportunities and Achievements

- Huge thanks to the University of Washington Area Health Education Center, the Area Health Education Center for Western Washington, and the Eastern Washington Area Health Education Center for their collective purchase and donation of PPE for free clinics.
- Enrolled 264 new healthcare volunteers and 5 safety net sites in the Volunteer and Retired Providers Program.
- Secured \$1.6M to fund free clinic operations through ESHB 1368, distributed in August.
- Successfully advocated for free clinic funding eligibility in the revised Washington State budget, to be distributed in 2022.
- Completed and published the Washington State Primary Care Needs Assessment in collaboration with the Area Health Education Center for Western Washington.
- Implemented a shared Volunteer and Retired Providers Program survey process with the National Association of Free and Charitable Clinics.
