Why choose DonorPerfect?

Nonprofits raise 20% more funds in their first year using DonorPerfect.

Imagine what your team could accomplish with software that's proven to help nonprofits grow.

ONLINE FUNDRAISING

Collect online and mobile gifts with donation forms that do data entry for you.

[Learn More](#)

AUTOMATED WORK

Streamline operations with time-saving features, and integrations.

[Learn More](#)

The pros are that it makes it much easier to track donations and correspond with our donors - we can easily send newsletters, thank you letters, end-of-year tax information, etc.

The biggest con is that it does take some time to learn all of the components, but they do have a good support team and resources available for users.

Using the solutions adopted during COVID

Covid -19

Thank you!!
